

**Timmi A**  
Fitness Model

Our Timmi is perfect as an all-round fitness model. He has some solid mass, if you are looking for a campaign that packs a lot of muscle, but is also incredibly aesthetic, so can showcase swimwear or underwear to perfection. He is particularly proud that his upper back to waist ratio is pronounced, giving him the much in-demand classic V-shape which eludes so many. He has been training hard for around 15 years now – does it show? Hell yeah!
