

Antony T
Bodybuilder

Our Antony says he is especially proud of his abs, and his ability to maintain them all year round. They are incredibly strong and have enabled him to get his top off on multiple shows such as a butler-in-the-buff in Eastenders, a naked man on the Emily Attack show, a topless servant on The Witcher and a topless dancer on The Inbetweeners. Can you see a shirt-off pattern forming? He has also worked on film sets alongside big names including Brad Pitt, Mark Wahlberg and Halle Berry. His chiselled body is the result of sheer hard work. He is an ex professional Thai boxer and world champion kickboxer and has been training in the gym most of his life. He has also been training for the stunt register alongside trampolining, rock climbing and swimming.
