

Aron F
Muscle and Fitness Model

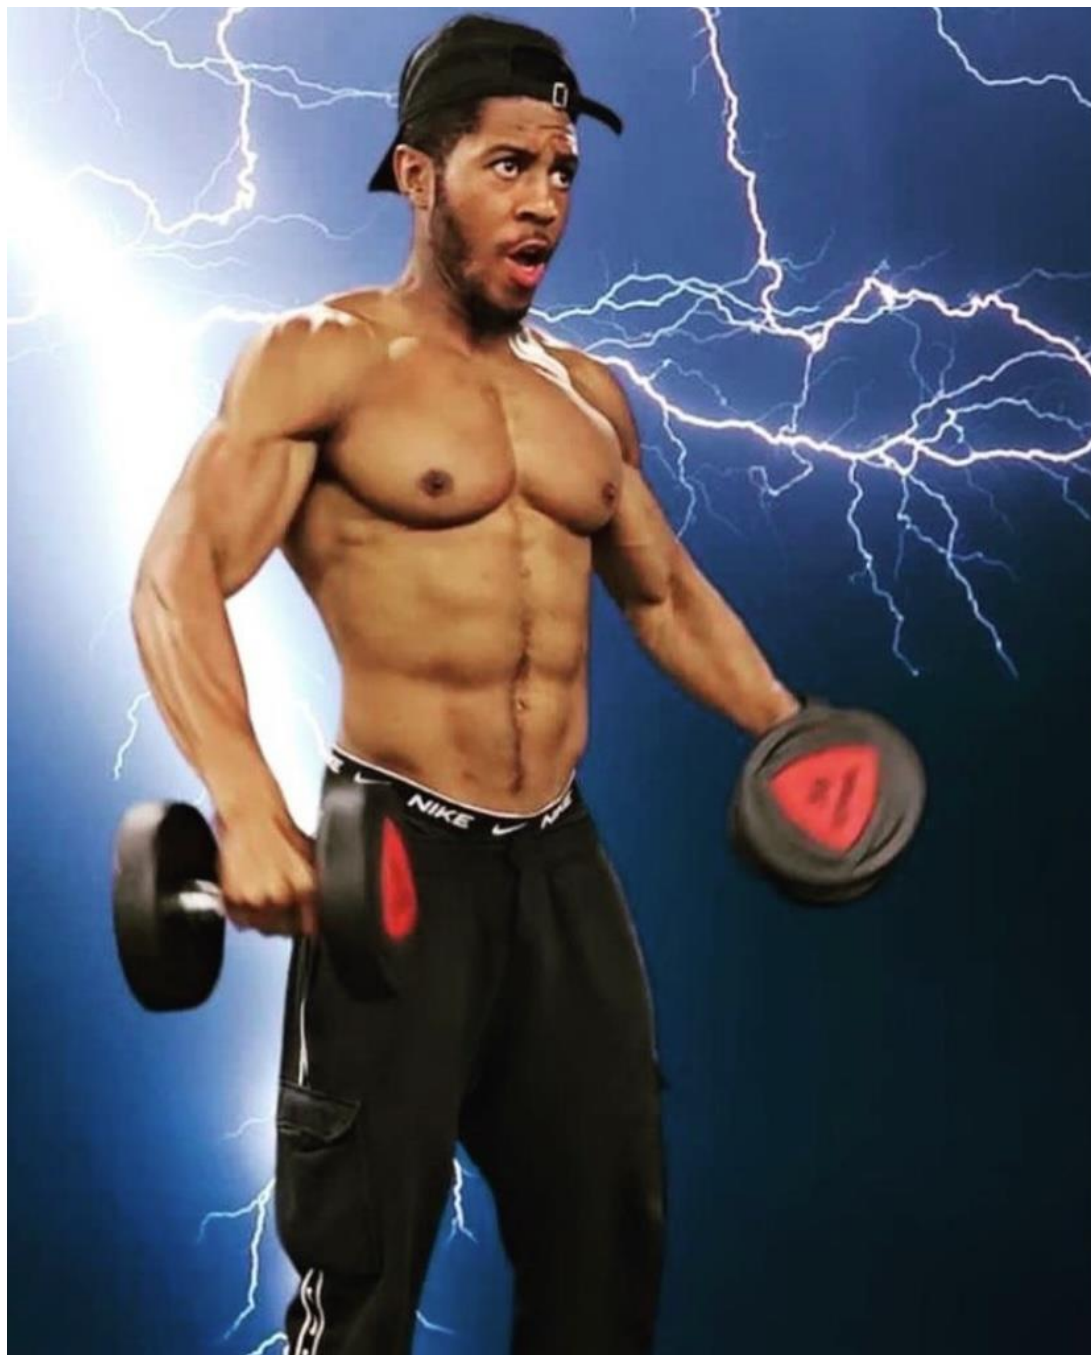

Our Aron says he is especially proud of either his 8-pack abs or his shoulders – and we can completely agree! He started training at 16 having always wanted to be muscular and strong. He trains 4 days a week, spending up to four hours in the gym each time. Does it show? YES! He plans on opening his own gym in the future – indeed, as he says, the gym is his night club, so he can then spend all night in there training!
