

Nairobi M
Bodybuilder

Nairobi is a natural bodybuilder from Southwest London who has been hooked on pushing his limits from a very young age. He has done everything from martial arts to kayaking, and from abseiling to mountain biking. This thirst for adventure fuels his bodybuilding journey, where discipline and dedication are his constant companions. However, the gym is just one facet of Nairobi. He is incredibly creative, pouring his heart and soul into music, crafting rap songs and writing lyrics that reflect the highs and lows of his journey. Fashion and style are another passion, and he loves curating unique looks that reflect his individuality.
