

Harry C
Underwear model

Harry is a fitness enthusiast and a fitness coach and loves what he does – and we can see the great results already achieved! Training since his teens, Harry prioritises a mix of hypertrophy and functional fitness. Outside of the gym, he is passionate about music, cooking, art and tennis. He’s very proud of the body he has built – but, just like a true pro, he is always looking to improve. We feel Harry’s body has a perfect balance between aesthetics and a natural, “normal” look, making him an excellent choice as an underwear model.

Height: 6ft 2"
